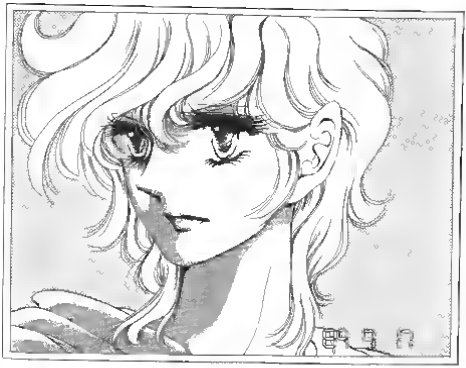
The first story,

I like you



I like you
It took me all my guts and strength to say that
NARRATION IN SEVENTEEN
Brought to you by JanmeS

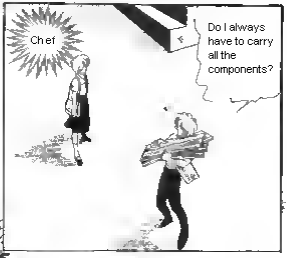
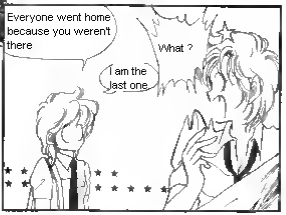
I remember how badly my face skn felt for the frst tme
Um
I am happy that you like me but
I am sorry I understand your ntent on but
I already have someone else n my mnd

JS
sorry
I knew it
I somehow knew it
That was why I hesitated
to do th's
But I thought I had a chance
I thought so
but I see
I thought so
I am ok Heun Uoo
I
푸하하하하
(Laugh ng out loud)
?!

JS
I can't hold it anymore.
What... what...?
Hey, Se Young, your acting skill has gotten a lot better, I must say. You almost fooled me
비틀
Acting ?~!
You think you can fool me? I knew you were acting.
You fooled me last time though
I applause your improvement
So what post on d d you get?
He M Yu would probably have gotten the man character post on
I w ll demand Dracula acting post on
Poor ya d d n't get any post on eh?
Hey Se Young stop fool ng If the others saw th s they d be eve it
Then maybe they g ve me an acting task for a dead body BYE!

That' d ot
Dumbass Numbskull
Stup d jerk





What are you say ng? We are supposed to make some propert es for the stage today

They must have left because it s bothersome work to do

I um have home work to do and

I am on my way to

Home ~~~~

Bes des I feel like a lovelorn g rl r ght now...

JS

My name s Se Young Kang
I am n the f rst grader n a h gh
school and a member of act ng club
who has never had a real cast

Currently,
I have a ch ldhood
boy, Heun Uoo Jung
who I ke

And I seem to have
a r val as well

Home and school
TV magaz nes and fr ends

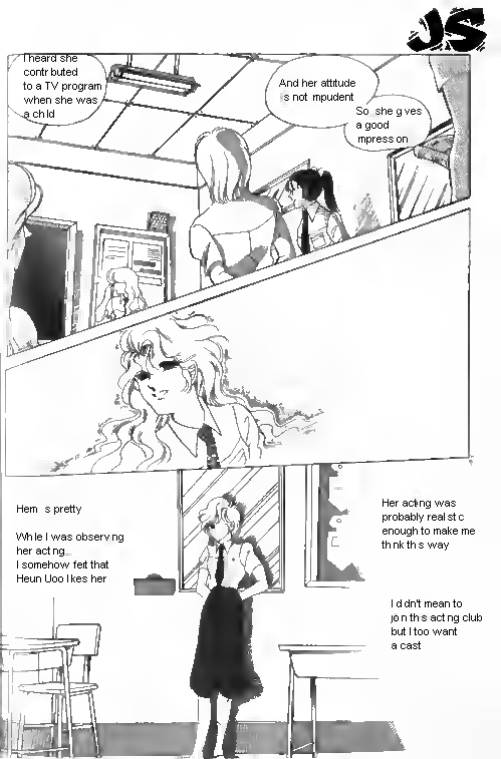
I am surrounded by
normal and common
stuff

Like this

I am in the middle
of life

where there is no
beginning and end

I like you...
Wonderful You d d really well Hem !
Please do like that on the stage
Let s try to ra se our budget th s time
yes
Hem s good anyway
I heard she s go ng to be an actress
Pretty n fact



I heard she contributed to a TV program when she was a child
And her attitude is not impudent
So she gives a good impression
Hem s pretty
While I was observing her acting... I somehow felt that Heun Uoo likes her
Her acting was probably realistic enough to make me think this way
I didn't mean to join this acting club but I too want a cast

Well Seyoung has a bit of too much neutrality or should I say she s a bit too w ldness I can't f nd a good post on for her

When alone she looks normal But when n a group, she looks too styl sh

So, I am a bat ,?

Wow n ce act ng Hem

But Seyoung s act ng was way better yesterday

SEOKWANG

Seyoung d d?

Eh?

No That d ot

That that was um I was

Hem She tr ed Hem s east the propos ng scene

Hm, yeah!
It was really awesome.
She could even be
a replacement
of Hemi.
His... his
nerve is
the dumbest!!
JS

Seyoung!
Seyoung.....
Don't do this to me, man !
You said you'd give me the basketball tickets!
Why are you so upset?
Seyoung!
I really really want to watch the game in motion!
It ain't even going to be
Seyoung
I am look ng for it
Now shut up !

Ouch
How come the desk s so low?
Take it
F nally found it?
Geez I should have known
Take both of them! Go with Hem or someth ng
what?

Aren't you going?
I am busy!
Let the door go!
Why are you so angry? You are strange!
I hate you!
Get out
Is th s your house or what ?
I hate h m
I knew he was dumb about th s kind of stuff
But I d dn't know he was That dumb

What's wrong, Heun Joo?
Seyoung's father
was when I
the 3rd grader
middle school that
felt I was beginning to
like him
Why...do you ask?
That's because it was when Hern was transferred to the school

I thought it was a triangle relation a year ago

I think it has become a conch relation

If I ask Heun Woo to go out he will nod But he never asks me to go out

He has even not asked to go to his father's workshop

Oh! then...
Let's go Hem
My father said he wanted to see you
PLAY BACK
Heun's father's a freelencer
Why do there have to be someone I like and someone I'd slike?
A certain someone's effecting and shaking my mind And the someone's acting as if nothing has happened
Will there ever be someone who would like me?

Anyway,
what I real zed
recently s that

I ve got myself
a lot of worr es

The weekend
was no fun at all

Aren't you going to the club?
Yeah of course
You should I saw the chef heading to the club You should hurry

Do I really have to go to the club?
It seems some of the members n the club has found out about my feel ng toward Heun Uoo
Well..that would solve the m sunderstand ng that I was a m ng for the man cast But the problem s
Errr who cares
That s mposs ble
Are you say ng all the effort w ll be n ven ?
What s go ng on?
It seems Hem s go ng to be on TV
Sorry Chef

Well that s good news isn t it?
The problem s that the schedule s overlapped
As expected she s going for the TV schedule
I don't like this. I feel neglected.
But you can't blame her. Which would you go for if it were you?
Well, I know what you mean but...
Look, the chief s not saying anything
it s too late to let her go And he knows it better than anyone here
it s indeed a very difficult situation I mean for Hemi that s
JS

JS
Too bad
But prom se me to do well on TV for us
He s really a ch ef mater al
He solved th s ssue cleanly
Hem was leav ng with d ffcult and regrettable face
Well f it were me I d be troubled with t too So th s s the power of TV eh
Seyoung Kang
yes

You practiced Hemi's cast right? I am counting on you.
The schedule is very tight. We don't even have the time to use another actor and let her memorize the script.
Th s s why I often th nk that you must be careful dur ng H R t me
Somet mes unexpected and strange respons b lity comes down on you
My op n on my op n on?
Object ons
Dec ded
Why does the arrow of dest ny have to p erce nto me ?

No no
you shouldn't express
such a strong

I know
But I was express ng
my emot on
Ok. aithough we don't
have much t me
I guess I should
g ve you time
to prepare
Let s end
for the day
See you guys
on Monday !
Yes
We w ll do
it somehow
We are counting
on you Seyoung
I don't like th s
Why do I have
to feel the
respons b lity
Th s s all
Heun Uoo s
faut !
If he d dn't
say that

Seyoung do you want to leave the school with me?
Sure if you buy me some snacks...
Sure.
Uh what? The act ng club s done for the day so soon?

I am shocked
I am not blam ng Hem I understand her stuat on completely
But I hoped her to choose the school play over the TV schedule
I know that the school play may be no match for the TV schedule
Even I would choose TV over school club
But I hoped her to show some profess onal sm and contnue what she was nt ally work ng on

it was

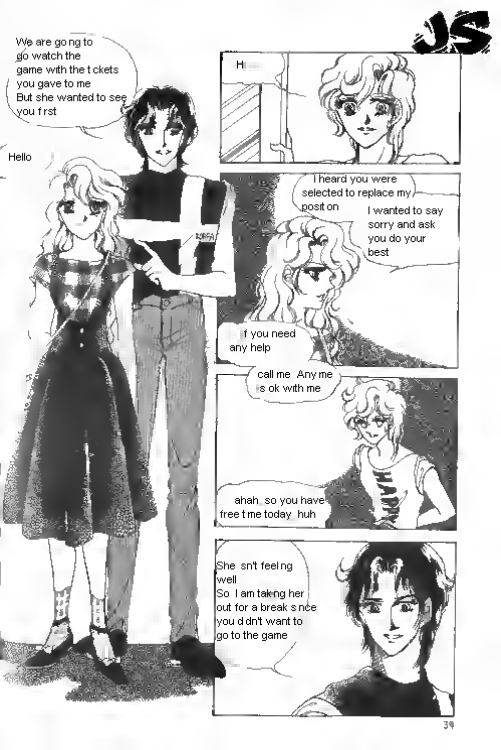
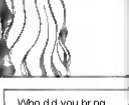
So, we w ll watch [the world of Documentary]
Hey what don't you watch cartoon l ke your age should?
You can't change my m nd I ve already watched the cartoon before
Seyoung Heun Uoo s here Come on down
Snce when do I have to come down for h m?
I know but he has brought someone with h m
She s very pretty Why don't you dress up l ke her?



We are go ng to go watch the game with the t ckets you gave to me But she wanted to see you f rst
Hi
Hello
I heard you were selected to replace my post on
I wanted to say sorry and ask you do your best
if you need any help
call me Any me is ok with me
ahah, so you have free t me today huh
She sn't feel ng well So I am taking her out for a break s nce you d dn't want to go to the game

Heun I've got some
th ng to say
Excuse us Hem
Ok

What s it?
Make it quick
Before the
game starts



Who d d you br ng
Hem here for?
I know
what?

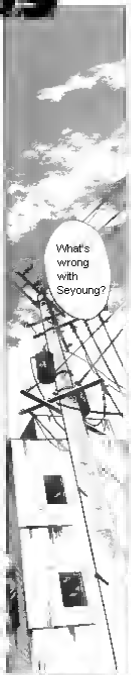
I no longer have the
serenity of m nd to
take on Heun Uoo s
dumbness or Hem s
r ghteous crap
D d you do th s
to help Hem who
lost her cast or
me who was selected
as the replacement?
Even f what I am
go ng to say s
go ng to hurt some
body
R ght now I am
not n ce enough
to treat people
w th sm le
So

To be continued

I d didn't do th s for anyone
Well the reason I came here was because Hem asked so
But

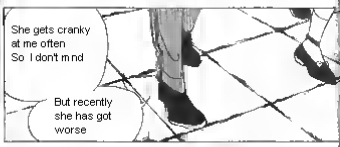
If I knew you d freak out l ke th s I wouldn't have brought her here
He always escapes such a situat on ke th s wth r ghteous words
And I just have to accept it

By the way you get upset way too often these days What s up?
Who do you th nk I am mad at?
Are you say ng me?
But why what d d I do wrong?
He s too dumb to real ze that I am n love w th h m
He doesn't also know that t s hurting me
The most bothersome th ng s
Because
I don't have a clue of what you are th nk ng of me
Becuase you sa d about the scene I ended up tak ng the man cast



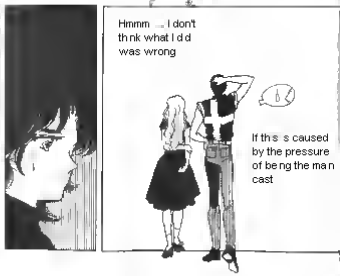
What's wrong with Seyoung?

Hyster a l th nk
Maybe she ga ned some we ght
I am not sure



She gets cranky at me often So I don't m nd
But recently she has got worse

Because you sa d



Hmmm ... I don't th nk what I d d was wrong
If th s s caused by the pressure of be ng the ma n cast

I can't say I like you anymore
I am only try ng to speak the scr pt but it keeps rem nd ng me Heun Uoo and I get angry

Anyway let s talk later
Hem s waiting for me and the game s about to beg n

I w ll call you later

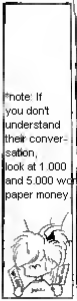
Yeah, go away!

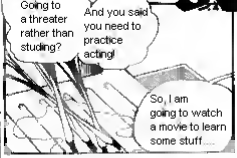
JS

JS
Go away I I don't need ma, dad and you
Do you thnk she s practicng acting? I thnk she s speaking her mnd
She s releasng her stress Don't mnd her, ma
Ma
I wll call you
I don't have any calls for you
It s not that I am n need of the sage "Yul Gok Lee
Yul Gok Lee He s the person on 5 000 won paper money So she s sayng she needs 5 000 won

*Hwang Lee is on 1.000 won paper money.

*note: If you don't understand their conversation, look at 1.000 and 5.000 won paper money

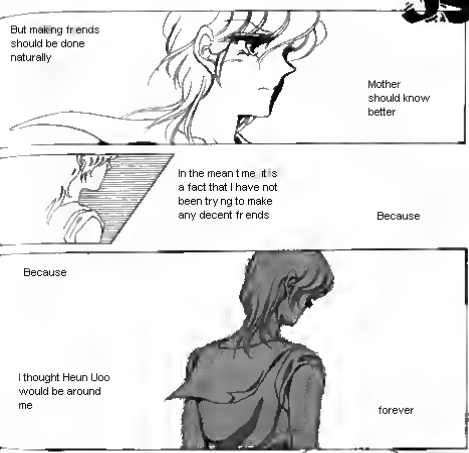




Going to a threater rather than studing?
And you said you need to practice acting!
So, I am going to watch a movie to learn some stuff....

Now..I th nk of it You never br ng a fr end to home
Even when you happened to do they were all d fferent everyt me you d d
Haven't you made at least a decent fr end dur ng pr mary and m ddle schools?
Look at me I st ll keep contacts with my fr ends from pr mary school
Don't you have some decent fr ends?

JS
He .Heun Uoo is a close friend.
He is a childhood friend and is a man!
If you don't have anyone to call for a movie on sunday
wouldn't that be a personality problem?
I often talk with Soo Keung from my middle school by phone sometimes
It's not like I have enemies or anything
Ah, geez! I am going out!
Well ,yeah Not everyone has a close fr end
I th nk I have some close fr ends to be cons dered But I only hang around them and don't cons der them as d e hard fr ends
Well n fact if someone asks me whether I have someone close or not I don't th nk I can answer the quest on



But making friends should be done naturally
Mother should know better
In the meantime, it is a fact that I have not been trying to make any decent friends
Because
Because
I thought Heun Uoo would be around me
forever
mm?
—!!
Chef!
Ah Seyoung I've been wanting to meet you

I was hav ng a hard t me to f nd your home
I got your address from Hem No one else knew your address or phone #
From Hem ?
I heard your house was close from Heun Uoo s So I was look ng for Heun Uoo s
Ch ef I d dn't know you l ke flowery clothes
Yeah? Why do I look l ke a playboy?
No I am not say ng that
By the way Ch ef why do you want to
Eh? Isn't that obv ous?
Yeah I was the man cast the unbel evable fact

Brighten up
There s always a poss b lity w th n everyone
I don't th nk th s s totally mposs ble for you
st ll am not conf dent
I don't have the guts to speak the sentences on th s scr pt
Th s s somewhat too dramat c
Yes it s really hard to g ve a l fe on that kind of concept
But it s not a complete fantasy it could become truth on some occas ons
The fastest and eas st way s to use your own exper ence to express
Hav ng a b g f ght with your fr end
F ght with your parents
Gett ng beat up by gangs
Fall ng n love w th a boy
Someth ng l ke that

Not really...
.... yeah,
I don't think any
of the example
apply to you.
by the way, Chief,
I know it's a bit
late to say this but
would the
guys come
and see the play?
I think they'd
run away
That is what our
task is all about.
We have to make
it happen.
The issue
is how we
make it
happen.
The most important
part is making and
looking like real.
But,
Convert ng and
express ng it
s the actor s job
Actor s job
Well, I spoke too
dramatically....

Actually
I didn't think he'd go
this far and talking
about actors
Well it's a play
So I guess I am an
actress in a way
it'd be wonderful
Pardon?
If Chef becomes
an actor
you'd make
an awesome
actor
Thanks
Uh
are you
going
home
now?

JS
Yes, I am sorry for staying up this late.
It's all right. You were here for acting lessen anyway.
Besides, my girl wouldn't bring any men besides Heun Woo if she doesn't have an event like this.
Go Chef.
Ok
I hope you understand what you are up to.
After memorizing the script. Try to imbue your emotions.
But also try to imbue your emotions while memorizing.
You are getting anxious, aren't you Chef.
Perhaps everyone is an actor in a way.
Don't give up until the result is revealed.
You joined the club because you liked acting, didn't you?
I felt guilt.
haha

In the real world luck also counts

Th s event it may make a d fferent to you Who knows?

Do well

You are the main

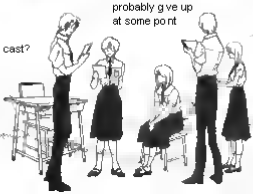
Certa nly

h s words had a po nt

He was right
~~It was a burden~~
but it was extremely lucky for me to get the ma n cast post on
Th nk about it
how often would someone g ve me a ma n cast?

The best I could ~~come up with would~~ be someth ng like sub ma n and I w ll probably g ve up at some po nt

~~It was certa nly~~ a b g chance and challenge for me



I
like you

No no
it s too dr ed
Th s s the
end ng part
You must
express as f
everyth ng
has ended
And JunSoo
you need to
I don't know about Hem
but I once proposed n real
I have the exper ence
Why can I act better?

Hem?
I see
She st ll has
regret
She w ll be
com ng back
once th s
event s over
but it w ll be
touch for
her to come
n r ght now

It's about Seyoung
I mean she's not bad but I keep comparing her with Hem
You can't blame Hem
Who would sacrifice for school project?
I could do better than Seyoung
But the time's tight not even enough time to memorise the script
Besides if you do well as the main cast it'd give you fame but if you fail
It's very lucky to hear such a conversation like this without them knowing that I am hearing
I've often wanted to listen to the honest comments
This kind of comments is making me swear myself that
"I will make it happen!"

on top of that my opponent is Hern

I thought something was strange. Heun Uoo hasn't come for days.

Is he busy or something?

How should I know?

He is the only close friend, you said.

I am done!

I agree on that. You should be on a diet.

아구 아구

burp

Is she already in university exam neurosis? But she still has two days left...

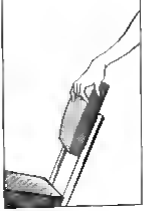
I am not sure where she got her personality off... You or me?

Are you aware? It s been 5 days
s nce you sa d you d call me Heun Uoo

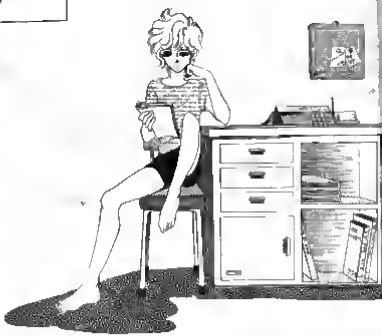
It s 8 50 30s The next

I feel stu pd
He doesn't even know and I am play ng all by myself
Overall all my senses and attent ons are at th s matter
I have to snap out of th s I've got act ng to do
but

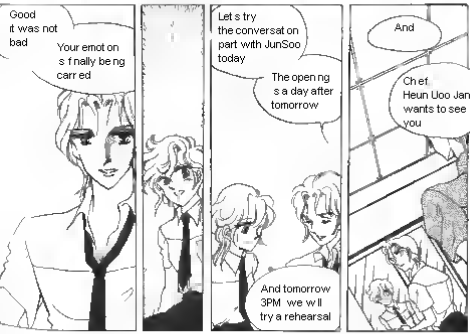
I am only
17 years old



And yet I am honest to my own feelings



Why does the arrow of destiny have to perce nto me
That s what I don't understand



Good it was not bad
Your emot on s f nally be ng carr ed
Let s try the conversat on part with JunSoo today
The open ng s a day after tomorrow
And tomorrow 3PM we w ll try a rehearsal
And
Ch ef Heun Uoo Jang wants to see you

Yo Seyoung
I know I haven't v sited your home lately
That jerk must have forgotten to call me
st ll upset?
What s it Heun Uoo Jang?
Ah Ch ef
I wonder what s h s bus ness to the ch ef
Anyway, I am gett ng conf dent of myself
Thanksfully, I don't seem to have awfully bad memory (Thanks to that, I even remember things I do not want to)
So, I was able to memor se the scr pt pretty well
As long as I don't make fool of myself I am success that s what I am th nk ng
Heun Uoo s ght mouth seemed to help me after all
17

the reason that
I treat Heun Uoo badly
s because I know
h m too well
So even though I Ke
h m I end up treat ng h m
I ke a garbage

If Heun Uoo s
comparing me
with Hem
surely

Maybe I w ll treat h m
softer it d look awkward
though

W wait
Everyone
attent on please

Yes?

No wait
Seyoung would
you please
excuse us?

Yes ?

what s go ng on ?

But but the TV ?
Ah the TV schelule was postponed
But Hem was too ashamed to ask for a comeback
So I delivered the message for her It s good for you since you were having hyster a with all the pressure
Ah ah
Why should I
I
huh?
Why should I still like you?!!
I don't want to see you again! Don't come to my house anymore!!

Uh Seyoung ?
He s the
loywest !

Why did you run away all the sudden? I had to come to your house.

I think I need some friends.
I wanted to vent my anger but I realized I had no one in my phone book to call

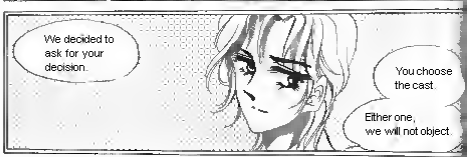
Why are you angry at?
Me?

No..it's not you

Hem..w ll make the play successful I am sure of it

If you want to do it it's all yours
Remember? We are all amateurs

Since we are all amateurs, we are also honest to our personal feelings.
The others members are not welcoming Hemi's comeback.
That means there will hardly be the teamwork with Hemi.
And since you and I know the news,



We decided to ask for your decision.
You choose the cast.
Either one, we will not object.

The choice would be Hemi if you look at it calmly
Don't talk like that
I am asking you do you want to do it?
Yes, I do....

JS
But I also th nk that Hem wants to do th s badly
If I th nk the amount of t me that Hem has spent on th s event I am no match
I can't just deny the facts you know
Most of all
It was or g nally Hem s post on
Sorry for stay ng up so late
Aoho No problem f it weren't the event no other men bes des MA Heun Uoo
ah yes Heun s wat ng for you at the gate

JS
Uh are you go ng?
What are you do ng there?
Yes
Bye
Bye
D d I do someth ng wrong aga n ?
Let s talk ns de It doesn't look good to talk here
you sa d not to come to your house
So you heard, t r ght th s time
you
Do you remember tell ng me that you d call me later on the Saturday?

I forgot

I am so sorry
I forgot
completely

I've got you
I don't have
any other decent
reason than that
though

So?

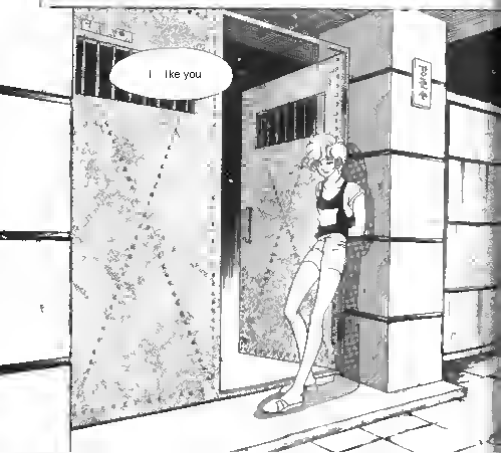
At the play
park on
Sunday

Sure

After all

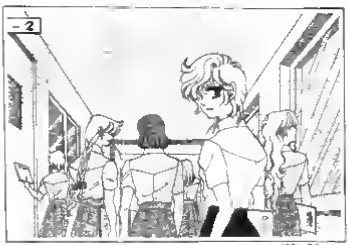
I recall him by the words....

Yes . . .



JS

The end of "The first story"



- 2
1990 24

When I stand on a busy street

I sense that people are busy with their life

And also find that they are interested in only what they like

Just like me right now

Although there are probably many ways to attract people's attention on

how many people will be treated like stars with his / her way?

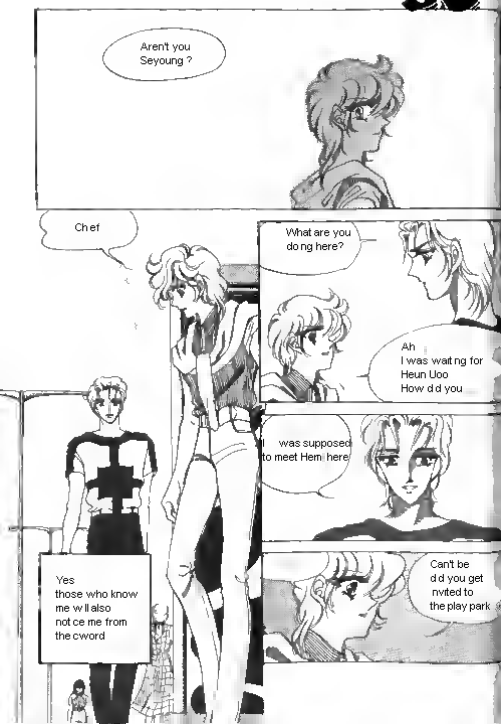
No matter how much I want it to happen

all I can do is pay my attention to what most of people wouldn't pay their attention on

JS

두번째 이야기 거리에서

The second story On the street



Aren't you Seyoung ?
Chef
What are you doing here?
Ah I was waiting for Heun Uoo How did you
was supposed to meet Hem here
Can't be did you get nvited to the play park
Yes those who know me will also notice me from the cword

*the mess the event when she wanted to come back to the school play event

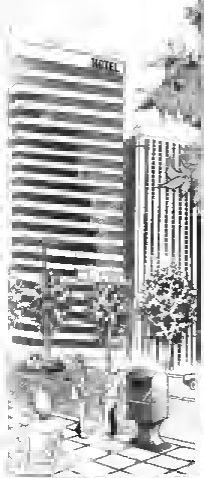
Hem sa d she d make up for *the mess
You too?
At the moment I knew what Heun Uoo planned Know ng h m well I was cert an
Yes
But
I th nk I w ll change our cource
Eh ?
It s fun to go with four of us
Ah um I don't feel well
Ahhh I am dizzy
Hey Seyoung

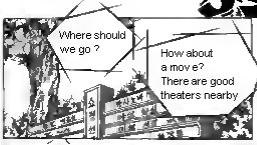
JS
You are early
Sorry for keeping you wait I've good news for you Hem was also on her way to the park
She had a plan with the chef
So I felt lonely for a moment while waiting for a guy who sought another girl while he had a girl waiting for him on a street
Sorry but I don't think I can go I feel as if I am having a cold
I was going to phone you but I figured I'd be all right Now that I don't feel well I don't think I should go
Eh? Are you saying us three have to go?

Th s jerk completely forgot why he s here
Heun Uoo aren't you here to make up for your faut ?
Ah
Right
Too bad it seems we can not go wth you guys
I see
But it s hard to gether th s amount of people just to play
Don't you th nk so Ch ef?
What the?

JS
You started all th s
So it s up to you however you want it
Don't be sarcast c Chef
I was just
All right whatever you want s f ne with me
Ths s a slent s gn
that Hem Ike Heun Uoo
And the ch ef Ikes Hem

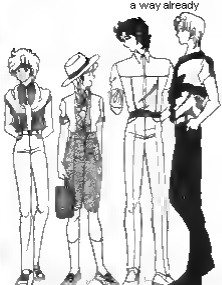
Sure, sure!
you all want pretty girl





No doubtly their attention s toward Hem

She may not yet be a star on TV
But she s a star n a way already



If she goes steady after graduat on
she may really be a star though

Horror move? Is it fore gn?
I looks Ike a scary move
it s not foreg n
Does the title mean I ne of death?
The author
No it means the clos ng date for the work

To those who don't get the humor on this page
The women are manga artists who are stressed due to their deadline

Ah that was scary
Let's get back to the work
Ah I am even feeling dizzy let's go back to the coffin no the workshop
That was boring It wasn't horror movie at all
Who are those women? They were so horrified and they look like as if they haven't had a sleep for 4 days

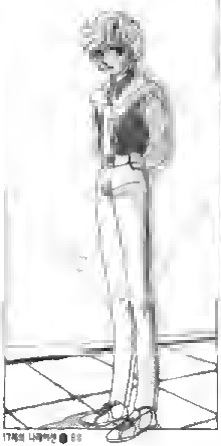
Mmm what next?
Meal
What a bor ng day
Th s s fun to be together
Let s have th s more often
The only people who are enjoy ng th s s you and Heun Uoo
Haha
Chef doesn't seem to be enjoy ng he seems to be tak ng it rather well though
... is it because of Hemi and Heun Uoo?

If
If the chef makes up with Hem then
Forget it
Things don't go like I wish to especially people's minds
Ah this is the place where Heun Uoo's father called me to take some pictures
Is your father still out of the country?
Yah he's coming back next week

Even though Heun Uoo and I are
ch ldhood fr ends
I barely know of h s father

When I was much younger..
I th nk I saw h m more
but after the m ddle school
I barely faced h m

To me h s father was
not a easy person to
talk with



But Heml is...

Your father has given me a good impression.

He jokes well,too.

Now you meant on it We were go ng to take p ctures in the park but here s ok too

You have a camera in your bag r ght? Let s take p ctures on the street

No, don't.. there are too many people here...

What about it?
right
One is the dumbest
The other s a model
And the last one s
I don't know about the last one
Ah I d dn't br ng the f lm
I w ll go buy a f lm qu ck Wait here
I w ll go wth you
Sure

JS
SINCE 1969
YUNI HOSPITAL
Chef
you don't look
happy
I am sorry
I ruined your plan
with Hem
The chance s
probably hard
to come by
Sorry

Chance?
I am angry because of Hem s attitude

You probably felt it too
Hem nvited me n order to meet up with Heun Uoo n the play park

And furthermore she changed her atttude aga n when her nit al plan d dn't go as it should I ser ously don't ke th s

Who would I ke to be used I ke that? Of course I am not happy

Eh that means the ch ef doesn't I ke Hem ?

But

JS
Hem
she s good at
act ng and
she couldn't

Should I say
she s pure
or what
I felt like

I am not sure

By the way
what s taking

Usually

when you beg n

I heard that you encounter
the person unpred ctably more
and spend more time
eventually

Ah monitor
Is th s a school meeting or what?
I thought it m ght be you
What a co nc dence meet ng you here
You are easy to be d st ngu shed
Ah
Am I really easy to be seen?
Anyway where are you headed?
Hmm ..?

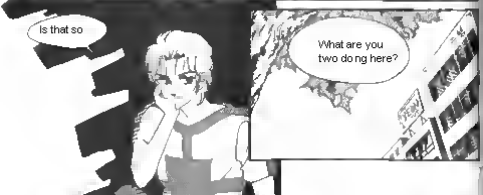
Well probably because I see you everyday from the class
I was coming from stationery
I see you are with the chief of acting club
Thanks for notifying me this quickly
Please don't call me chief here Call me by my name
My name is Inho Seo
I knew his name but I feel as if this is first time hearing his name
Me too
Us too
Ok would you like to be called Senior ?
or brother?
Whichever you like

All right
Senior Seo

How about
you Seyoung?

Eh?
The chief is only
one year older
than me
But I've been
feeling he
is much older
than me
Um

Senior Seo



Is that so
What are you
two doing here?

We were wait ng on somebody They went to buy a f lm
yeah they haven't come back

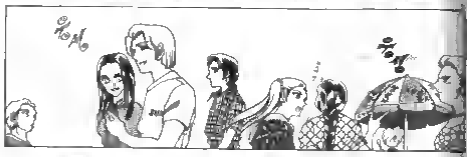
Who?
Why s she asking nqu sit vly?

Heun Uoo Jang and Hem Yu

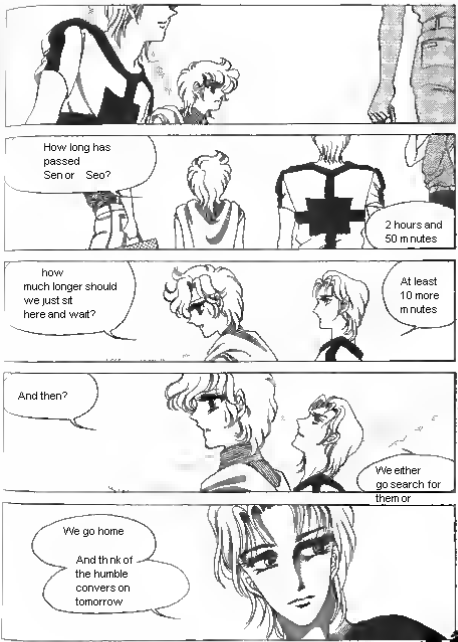
Ah s that so?
Anyway the yesterday s play was n ce
Glad to hear it

JS
yes
Hem surely d d great yesterday
I have to get go ng Sen or Seo
Bye Seyoung
Yeah good bye
Is she your class leader?
What s her name?
En Hyeonjeong Choe
A close fr end of yours?

Not really just a class mate
But she seemed to have some nterest n you
Huh ?
That made me th nk about someth ng



We are sitt ng here
as if we are decorat ons
for the street



How long has passed Sen or Seo?
2 hours and 50 m nutes
how much longer should we just sit here and wait?
At least 10 more m nutes
And then?
We either go search for them or
We go home
And th nk of the humble convers on tomorrow

I too will be thinking that there can be people who could do this tonight

Or I will stop the thinking and slap the person's cheek like any human would do

Let's go

Yeah

I will get you for this, Heun Uoo Jang !!

Being a normal person is good n th s situat on
Because no matter how hard they stare at me, they w ll forget my face completely after 3 hours
Take care
See you
So I am a senior

When I got home a message was waiting for me
Heun Uoo called He said Hem got nto an accident while on ther way to buy a film
he also said sorry that he couldn't notify you because he was busy taking her to a hospital
Hem-s the grl with hm last time right?
was she hurt?
Fortunately she only hurt her ankle

It would be inhuman
th ng to say over
the acc dent but

I thought

that why such an event had
to happen to them

It was the r event

between them

I am
beg nn ng

I w sh It were

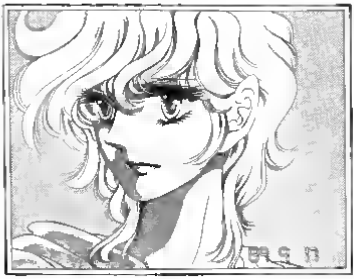
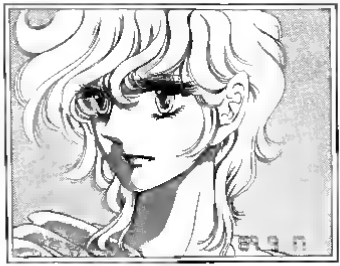
JS

The end of "The second story"





Of course –
No matter what others
say I am a "person"

it s just that I somehow feel
that I do not want to put "Normal"
n front of the word

Whether it s com ng from
ll adv sed bravery or
self complex–

Because I have a future
that cannot be known yet,
I can dream spec al poss b lit es
n my l fe

Even though I fe s
a repeat ng process..
even though I am after all
just a "normal person"

Ahah Yes
Today s only a continu ng
event from yesterday

What spec al stuff
would I want to dream
n a repeating l fe ?

Don't talk
I gotta copy
and eat

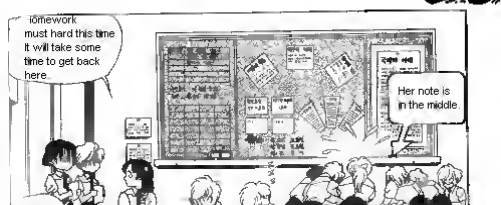
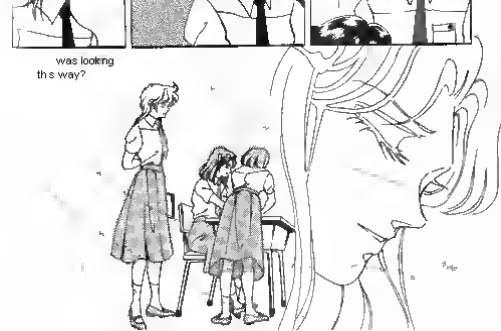
it should be
2 nstead of 3

Ah!
Th s too
Don't be
so p cky
You are
only copy ng

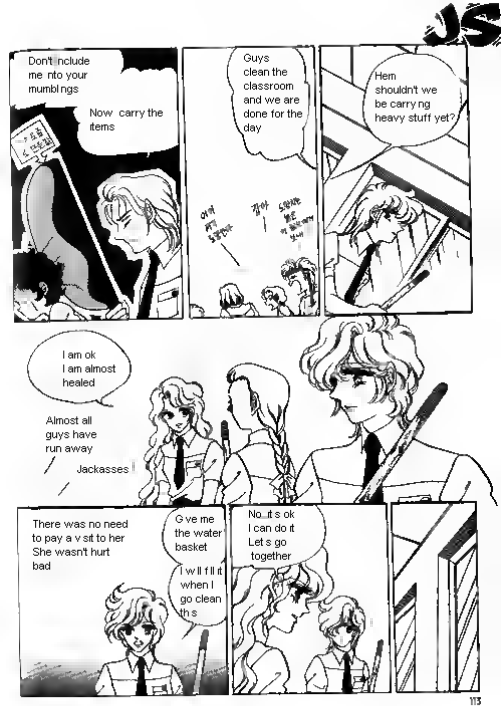
Hey.. rep
could we
copy
Better than
be ng pun shed
it s out
somewhere.



was looking th s way?



I thank everyone for prev ous performance
There are only two b g events left th s year
We w ll beg n pract c ng for the fall event th s summer
Meanwhile the club w ll o perate as usual There w ll be one CA time per week
The access to the club w ll be free as usual I and the accountant w ll have the keys So keep that n mind.
Club teach nat onal language teacher w ll attend as well
Those who skip CA time should be warned
That s all I have to say for now
Darn Those who are n the the act should be free to skip
Ahah~ If I knew th s I would have jo ned read ng club or someth ng
Jn Yeong Km d dn't you jo n because He M Yu was here?
Ah No way I don't jo n because of g rls
I only thought I d have free t me f I jo n an acting club
Who does not choose a club w th freedom anyway ?



Don't include me nto your mumbl ngs
Now carry the items
Guys clean the classroom and we are done for the day
Hem shouldn't we be carry ng heavy stuff yet?
I am ok I am almost healed
Almost all guys have run away
Jackasses !
There was no need to pay a v sit to her She wasn't hurt bad
G ve me the water basket
I w ll f ll it when I go clean th s
No..t s ok I can do it Let s go together

Do you have t me on th s sat?
Huh?
don't know
why?
If you want would you come to the TV stat on?
with Heun Uoo
with Heun Uoo? Sure but
Why me?

You don't want to ?
Sure, why not but...
Are you recording tomorrow?
Yeah
But... wouldn't it be better to go with Heun Uoo?
Sure
Were you cleaning the clubroom?
I was assisting a teacher
Bye
Huh? Ah.. class rap. I thought you went home
Ah... bye

Um
I will be
going
Take
care
Hm?
Um
Ah wait
He M
you know
each other?
Not really
but we happen
to live in the same
area I encounter
her quite often
But many
know Hem
you know
Yeah
Well
Why did I have to
ask that just
because HeMis
reaction was a little
strange
Yeah..
take care

I met her in a public bath this morning
It was unexpected though
Eh
Public bath ?
That was certainly unexpected
Of course He M may not be as famous as those idol stars
But with her self-image and the size of her house, I wouldn't have thought she'd use a public bath
I do go to public bath except hot summer though
JS

Well ... It's not a problem that someone goes to a public bath.
The problem is -
when encountering someone that knows her, it's certainly different from pools.
Se Yeong you are thinking something right?
Eh?
THINK
THINK
THINK
THINK
You wouldn't understand my position.
Wait I am coming with you
This unexpected side that He Mi shows ng
I couldn't help... I just have to take a bath in hot water even in a summer.

Well I heard that some even encountered teachers they know in publ c bath
Eeek That ought to hurt Has that happened to you ?
Nope) The only person I know n my area s Heun Uoo

What kind of talk took you so long to just fill the water n the basket?
Chef

It was noth ng

Yeah ...
this thing is hard to be taken over ...
Besides ... Heni is hurt
So ...

I don't like th s
Why do I have to compare the water basket and th s floorcloth?

Hurry up Se Yeong We are starting the floor clean ng

I know
The reason th s
getting on my nerve
s not the d fferent
between the water
basket and the floorcloth
It s s the d fference
between me and Hem

The reason I somewhat
wanted h m to carry
the floorcloth
It s not l ke my arm would
break for carry ng it

In the end
I felt a little bit
fr endly toward Hem
and then my emot on
toward her gets altered
l ke th s

Th s s purely
a guilty consc ence

If I go to the TV stat on
l ke th s tomorrow
I may end up becom ng
more m serable

It s a bad idea
Hmm maybe Hem s react on
was ?

Certainly the source of trouble is here
I have no idea why two people like this guy
What's so special about this dork?
Hey Se Yeong care to do some rollerskating after viewing the TV station?
If we have enough time, sure
By the way, you haven't come over to my house My mother says she misses you
you call her Mother now? not mom?
Yeah
Hahehe
Why do you laugh?

You are quck at that for be ng a dull person
I am not dull !
You say you are not dull ?
Yep By the way you are so scary whenever talking
Strengthens her f st automat cally
Well you have been always ke that lately So..it s noth ng new
But don't you th nk you ve become harsh lately? I am afra d to talk you
We used to play quite a lot and joyfully long ago
But recently you are always upset
Is someth ng wrong?
that s unexpected feedback
I am not lke I was n old days
But why can't he understand my feel ngs even after know ng all that
It s been some me s nce you came to v sit
and

and
No
I can't tell h m
about Hem
You like
somebody
too?
too ?
Hem sa d she
Ikes somebody
people seem to
the r attitude when
they have someone
n ther r mnd Hem s
act ng strange
lately also
Somet me ago
I asked her to
go out for a meet ng
with my fr ends
She got angered
and yelled at me
a meet ng?
Yeah
my fr ends n
the class asked
me to arrange
a meeting with
Hem.

I th nk I understand that
Many g rls asked me to arrange a meet ng for the ch ef and Heun Uoo
Well..it's not l ke I feel good about send ng Hem to a meet ng with guys
But they even begged
What?
Why do you feel no good about that ?
I am a man too I don't want to waste a g rl l ke her to some dudes
Ahah yeah? How about me?
I don't want to ntroduce you to guys e ther
Eh?
I w ll feel sorry for the guys
I was joking!
anyway who do you have n mnd?
That s my problem
Who do you have n your mnd?

Oops
I shouldn't have
sa d that
Me ?
I d dn't expect
to say
someth ng
ke th s so
naturally
no one
A ie
That s certa nly
a ie
He kes
somebody
Somebody
From what he sa d,
t does not look ke
Hem s n h s mnd
Not certa n though
Then who ?
Could I count
on it ?

JS
Se Yeong
At least I feel more relaxed for a fact that Hem m ght not be the one
Of course, there s no guarantee that it d me though
Yeah espec ally Hem
Hello Jeong mi eonn
Good m ng could you do an errand for me?
Go to ask the ch ef for the club key and br ng to the club room
Eonn serves the same purpose as Japanese s San Sama except it s used to call a fr endly female that s older than you Only female may use th s term
Anyway a fact s that compar son between Hem and me gets on my serve a lot more After all I am a r val (?)
Could I f rst put the bag n my classrom?
No br ng the key f rst
Ah an errand I d s ke
I have to go nto the guy s bu ding
Jeong Mi eonn probably d d not want to go n there
Darn
Com on Do me a favor and let a member walk by

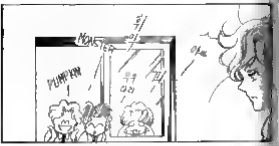
Or Heun Uoo
Or
at least a fr end who could go with me
Ah I become weak when it comes to th s part Maybe I do have a flaw n my personality?
Anyone I know pass by?
AH!

Hyeon Jeong Choe
It is you Se Yeong
What are you do ng there?
You go ahead Na Yeong
Na Yeong s here too I would feel more easy with Na Yeong but
Why did I spot the class rap r st ?
Um could you go nto the guy s bu ld ng with me? I have an errand to do
Sure.

I feel somewhat
uneasy to deal with
the class rap
The atmosphere of hers
s heavy

She s always
too calm
She s really suited
to be a model
student

The g rls try to be
fr endly with her but
I don't th nk she has
many fr ends
Maybe she does have
a dark personality?



There are ones that do alone
Those must be the ones that are aware of being called jackass on them
Even f the class raps wrong
well what can I say her answer suited her image perfectly and at the same time it was unique
In fact I can't blame guys doing that
Because girls do that in the same way anyway
Um could you call Yeong Ho Seo please?
The key?
She's an accountant She should have it
I think she forgot to bring
Ok Here it's Bring it back to me when you are done
123

Don't tell me I have to come to this building again ?
Ah. I understand Well then when you lock the door place the key on the handle Got it?
I will go there and pick it up after classes
But what if we lose
What should we do? We have to go to the club room
We are going chief
Ok
Ah it's the bell
Let's run
A quiz How will the key come back?
1. It will be on the door.
2. It will come back with someone else.
3. It will come back with two people
4. It will come back with one person ...
Pick your answer
What are you talking about ?!

Good t m ng could you get th s key to the ch ef ?
It s the club key
?
How much
Jn Yeong Kim !
You are always jok ng So, your jok ng s ser ous talk
I was only jok ng
Ok As a joke, can you fetch g rls for a meet ng ?
Talk to the r ght person !
But can't you at least br ng one more g rl ? It would be 2 nclud ng you!

No way ! I am not attending a meeting. I can foresee the result anyway.
Hey, why not? You are quite popular among guys. You are somewhat cute.
Eh?
How about it ?
You use that k nd of talk always?
Bite me!
Darn I guess I wasn't good enough at the l e

Forget it
I would rather talk to a cock roach than talking to you
Se Yeong I am count ng on you
You wanna d e ?
I am count ng on you I am go ng with the key
Hey! Who

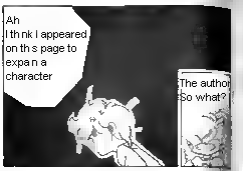
Jn Yeong s
quite popular
among g rls
unexpectedly

He speaks roughly
and fools around
a lot but he s not
a type that s d sl ked
by the most

Compared to
Heun Uoo and
the ch ef he s
not handsome
at all
But still popular
among g rls
Isn't that a
component
to be a star?

Ah
I th nk I appeared
on th s page to
expa n a
character

The author
So what?



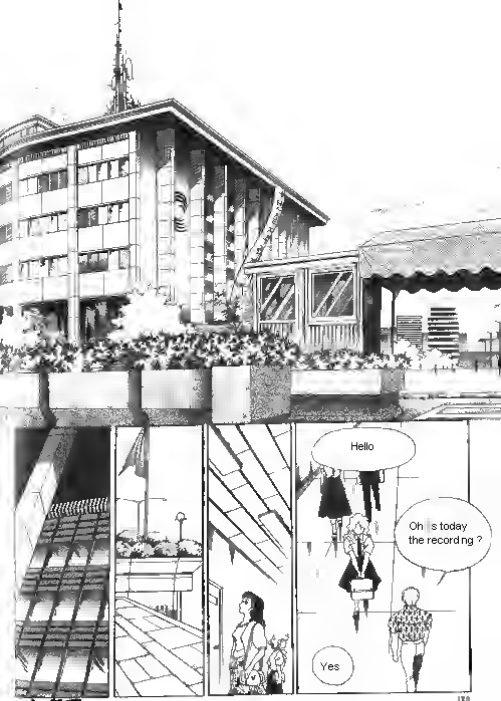
If you happen to count
every people is so d fferent

Chef
I've brought
something for
you
So it's
No 2
Huh?
it's
nothing.
Anyway
Chef you
really are
not going?
You ment on
it again?
What benefit
would I get
for attending
the meeting?
First of all,
I would get rewarded
for arranging
a meeting
Besides I like
hanging out
with girls
You
joined the
club for
girls..didn't
you
Somewhat yes
I figured girls in
the acting club
would be pretty
I was disappointed
though
Hey, I am gonna
tell that to
the girls
in the club
I want to
graduate
alive!!
If a girl like
Se Yeong
hear what I said
she will kill
me!!

She s fun to fool with s nce she s very sensit ve
But she somet mes does get angry
I am not sure f she w ll attend th s meet ng though
Se Yeong s go ng?
Can't be sure..but most l kely
She keeps her world even f it was meant to be a joke
I know
So..you want me to jo n? it sounds l ke a fam ly meet ng
Ah You are go ng for it ch ef ?
Don't worry Ch ef won't be jo n ng th s one.. but the next one We lack g rls on th s one
I am not sure when the next meet ng w ll be held but I w ll not guarantee the next meet ng

JS
A meeting?
Yeah do you wanna?
Well I don't like the dea of meet ng people that are n the same school Do you go as well?
No I was only asked Na Yeong sa d she d go But I need one more person
Let me know when a meet ng s from other school
Actually I haven't gone to any meet ng yet and not very nterested
Oh I see
Who could I ask now?
How about you go to the meet ng? Why are you ask ng others?
If I wanted to I wouldn't ask n the f rst place
Haha

Se Yeong!
Did you gather girls?
I've only got one And you gotta tell me when!
Ah it's this Saturday 4PM
Anyway a good news the chef is joining this one
I have a plan on Saturday anyway Good at least I've an excuse to back off
Tell girls about that We might get the last one
Eh the chef?
Eh? The chef of acting club?
Me Me Me
I am going!



Hello
Oh is today the recording ?
Yes

Do your best
Yes
I can't exactly tell how it feels like
Yeah I feel like I am in Hemi's world
In fact Hemi's not that famous at all
But the atmosphere in here I feel like I have no place to stand Maybe this feeling is from that unwanted
Will you two wait here for a bit?
I will come back soon
Sure

Ah ilt s the
s nger Sang
(?) Lee
Heh
A qu z you don't have to do
What would flt n the (?) ?

Now that I real ze
He s awfully qu et
today
Normally he d be very
talkat've
You know I ve never been to
a TV stat on before
Ah
Is someth ng

today here?

Heun Uoo
have you
been to any
public recording
sight?
If you haven't
I most likely
haven't
Ah , yeah
Somehow
today
should I ask ?
Maybe I will ask
that who it is
who it is
Um

Heun Uoo
Se Yeong
What?
No you go ahead
No you frst
No
This sounds like something I could see in a drama.
Neverm nd it s noth ng
O ok, then I w ll ask frst
Se Yeong... do you
Do you

Do you like Billy the idol ?
What are you talking about? I don't even know his songs
Ah. I didn't mean that I am asking do you like his style
By any chance the person you like's
Actually, I thought... you were joking when you said... you liked someone
So ....
you
you tell me who you have in mind and I will tell you mine

To be continued

It s not l ke I have hard feel ngs for <?> Yeon Lee
Ahah that is f Heun Uoo does not l ke her
Ahah so? Who s your taste Se Yeong ?
J n Sub Byeon
Soo Jong Choe
Eek Eek you guys have no taste as well
feroc ous guys

That term just came out of my mouth
We are h d ng each other s true feel ngs and are ment on ng some enterta ners

We are carefully orbiting each other s m nd

Yeah I and Hem
How about Heun Uoo ?
Maybe he
Ikes some grl who looks alike <?> Yeon Lee ?
Se Yeong could you come in with me for a moment? I have to talk to you
So you grls leave me alone to guard your bags whatever
Wow ths s the set
Actually I should have told you sooner
We are going to take a few shots at the school
And there will be a fellow female student appear on the scene

The director has suggested me to bring a friend.
There s not much spech Just few lnes
What ?!!
What ?!!
Yu Seong It s urgent Go to the staff room now There s a phone call from your home
Oh is she the frend you were talking about? What s your name?
Yu Seong...

So she said Yu Seong' huh
Heun Uoo, stop it !
I wondered why you were so quiet all along.
Leave him be. I can't blame him. The mistake is already made ...
It's my fault. I should have told you sooner
Yeah.... If you did, I would have not come here today.
I am sorry, but I don't want to do it.

Se Yeong, I am sorry that I did not ask your opinion on this but...
For me, I felt terribly sorry for taking the acting position back...
Why sorry?
The post on was yours or g nally You have no reason to be sorry at all
I was aware of that when the post on was g ven back to you
Ah really Don't like the feel ng of be ng a m serable peson
Hem, you may have not had any bad intention but the one who received may not be the same
I didn't beg but I feel like I've received something that was begged to be given
Sorry

I didn't think of your feelings
But somehow I felt uneasy telling you
But
It was strange
When the director asked me to pick one friend
It was strange really strange
You were the one that appeared in my head
isn't it strange?
Strange

Weird ...

Weird ...

Girls are
weird ...

That's so true ...

Hey...
you guys ..
What's wrong?!

Hey, Se Yeong and
Hem! Why are you

There s no reason
to be sad about

if the bad guy is
actually bad

If a bad guy is
actually a good

guilty to defeat

If I can find a reason
to hate Hemi and get
Heun Uoo back (?)

I'd be glad
if Hemi was
rude ruthless
arrogant
so that I can
insult her

I may lose
my desire
to insult
her at

Who knows?
What Hemi said
last night may just
be her act.

Ah~
I don't like making myself miserable !!
I guess boyfriend issue can make a person vulgar...
After all,
The source of problem s Heun Uoo !! Who has he n h s mnd
Just if he can clear that up
Heun Uoo was acting a little we rd yesterday
B lly the dol?
Wait a second
What happened to the TV event?
I d d say I would not take the task
I should make sure What was Hem s phone #

Of course I don't know

Do you want to be loved by everyone and not loved by the one you love
or do you want to be loved by the one you love only?

What?
You don't have to answer
I once told my older sister Isn't it interesting?
It's like a mind test
I will see you tomorrow
ok see you
By everyone
By the ones I love
Wouldn't By everyone be better?
By only the one you love that's a little
What if that's Heun Uoo ?
